SPECIAL SUPPLEMENT TO DECEMBER, 1954 ISSUE; VOL. 35, NO. 12

Annual Index to HOSPITAL PROGRESS: Volume 35

January through December, 1954

Compiled by MARGARET M. DeLISLE, M.L.S., M.A., Librarian.

Guide to Use of Index

Last names of authors, followed by bibliographical data, are arranged in one alphabet with the main subject headings.

Main subject headings are followed by indented Secondary headings.

Book reviews appear under the heading BOOK REVIEWS, and are arranged alphabetically by author.

Notes of elections, honors, deaths, etc., are recorded under last or religious name of person in alphabetical order under the heading PERSONALITIES.

Departments, as they appear in various tables of contents of HOSPITAL PROGRESS throughout the year, do not appear as such in the index, as their subject matter is included under subjects.

Cross references are used: *See* and *see also.*
